

VPK Terms & Condition Parent Agreement Form

Dear Prospective VPK Parent(s),

The Early Learning Coalition will pay a VPK provider for 540 instructional hours. These instructional hours will take place from 8:45-12:00 p.m. commencing the first day of school. If you decide to continue until the end of the school year, you will need to pay regular price for the month of May, 2013.

Terms and Conditions

VPK hours (540 instructional hours) are paid by the Early Learning Coalition. **There will be NO VPK paid days during recesses and summer program.** Granada Day School will follow the MDPS calendar in reference to VPK. Your child will not attend those days unless you pre-register for the “wrap around” services, which is any MDPS days off that are not the same as Granada Day School’s and the hours of 12-2 pm and any Teacher Workdays which the school does not observe.

(The “wrap around” service does not include GDS’s Teacher Workdays and/or Holidays, Christmas & Spring Breaks.)

1.VPK will only pay up to two (2) absences a month, per child. Therefore, Granada Day School will allow absences exceeding the two (2) days **with** a doctor’s note that must be turned into the Day School Office on the day the child returns to school. This does not include vacations or weather-related absences (in this event a charge will be assessed to the student’s account).

2.If a doctor’s note is not received there will be a daily charge of \$25.00, per each day the student was absent, added to the next months statement.

I, (Print Name) _____, hereby agree to abide by the above **Tuition & Fee Schedule** and **Tuition Policy** set forth by Granada Day School.
